

EXTERNAL EVALUATION FOR NOT-FOR-PROFIT BOARDS

Supporting the continuous
improvement of not-for-profit Boards

GOVERNANCE - PRACTICE - PERFORMANCE

Continuous improvement in the Board room is just as important as it is in any other aspect of an organisation.

Regular reviews of governance structures, and Board functioning and effectiveness are key to ensuring our governance practices and Board performance are as good as they could be.

External evaluations provide us with an objective and independent opinion of what we are doing well as a Board, as well as giving us feedback on where we could take action to improve.
