

EXTERNAL SUPPORT FOR NOT-FOR-PROFIT EXECUTIVES

Helping NFP executives to deliver,
to grow, and to thrive

SUPPORT - DEVELOPMENT - ACCOUNTABILITY

Professional supervision and support is essential for optimal executive performance. However not-for-profit organisations can sometimes struggle to find the resources internally to support their executives effectively.

Seeking the services of an external supervisor and coach ensures executives receive that critical support to guide them in the delivery of their organisation's goals, strategy, and purpose.

External support sessions are also free from any workplace dynamics, allowing the supervisee to feel safe, and providing a forum to confidently disclose any personal issues or dilemmas as they arise.
