

STRATEGY PLANNING FOR NOT-FOR-PROFITS

Great impact starts with a great plan

PREPARATION - PLANNING - IMPLEMENTATION

'We don't plan to fail, we fail to plan' - never a truer word was spoken! So don't allow your not-for-profit be one of the many who either don't plan, or don't properly implement their plan, and just bumble along as a result.

Planning is an ongoing process, and by adopting a planning mindset, and embedding some simple practices into your organisational processes, you too can take your organisation from surviving to thriving.

Strategy Planning for NFPs steps you through a simple framework for good planning, that can be applied to any organisation in any context, so your NFP can ensure it delivers great impact for its beneficiaries.
